1. A review of the attached suggests that OS interest centers in your Directorate and that it would be appropriate that you take necessary action, including submission of additional proposals and appointing an OS representative to attend the meeting of 19 February, if that is considered desirable.

Please advise of your intentions regarding any proposed action. PPG will be happy to assist or, if you wish, take responsibility for action. However, in view of APEX-related matters, it is believed OS would best be represented by your Directorate.
